Your Private, Multilingual AI Voice Counsellor

High Tech Technology's AI Voice Counsellor is crafted for individuals of all walks of life, providing daily companionship, timely reminders, and proactive monitoring for cognitive or physical changes.

Supporting dozens of languages, our AI adapts to various accents, dialects, and cultural nuances, ensuring a personalized experience for everyone. Powered by Edge AI technology, it processes conversations locally, keeping your private moments secure with you alone.

Whether it's a gentle nudge to take your medication or a warm conversation to brighten your day, our AI serves as a trusted companion and caregiver for all.

How It Works

For Everyday Use

Multilingual Understanding

Supports over 90 languages & accents.

Feel Heard

Empathetic, conversational AI.

I feel very sad today. I don't want to go on my daily walk.

I'm sorry you're feeling this way.

How about we take it easy today? I'll keep you company.

Live Independently

Friendly reminders & check-ins.

Buenos días! ¿Has tomado tu medicina hoy?

You have a doctor's appointment at 3:00 PM.

你今天感覺怎麼樣?
你的手有沒有好一點?

Mental Health Support

Instant, reliable answers.

I've been feeling very stressed and I can't sleep.

That sounds really difficult.

Let's try a calming technique together right now.
